Our School for five consecutive year's pre Covid remained above National and Luton LA. There was no EYFS data for 2020 and 2021 due to the pandemic.

Since 2014 we have made huge improvements in our EYFS provision overtime.

This was identified as an Ofsted priority in January 2015 and in Dec 2018. 'Outdoor learning facilities are underused for children in the early years'.

The school has rigorously made continuous improvements to our EYFS outcomes, embedded a higher quality of education, teaching and learning, enrichment activities, better outdoors provision, quality interactions and engagement with our pupils and purposeful, stimulating learning opportunities offered to all of our pupils which we will continue to do.
