Minutes 29.11.23

1. Role of Pupil Parliament

Current MPPs asked previous MPPS about last year's work. Previous MPPs told us their role was to show other pupils how to be sensible and respectful in school. They took visitors around the school showing them what they were proud of. Their role was to decide how to make the school best for all pupils. They were kind, listened and made sure pupils had friends. They said it was enjoyable and not hard work.

2. Visitors

New MPPs shared what they would like visitors to know. They said they were happy at school because lessons were interesting, teachers were helpful. They named certain school rules that they follow like walking in the corridors. They wanted to show the school values, naming Respect and Patience in particular.

3. Plan for the year

MPPs wish to meet with Mrs Kang the Head teacher. A date will be decided; Mrs Riley to ask Mrs Kang. MPPs discussed questions to ask Mrs Kang and said they want to listen to her, let her talk and see where she works.
